Dear Ms. Abel;

**Re: EUB Bulletin 2005-31
Mandatory Annual Filing of Application Forecasts**

The following is the AESO's updated forecast of applications it expects to file over the next 24 months. The target dates are estimates and are subject to change.

This forecast replaces the one filed by the AESO on January 13, 2005. The only difference is that the 2007 GTA Phase I component is now expected to be filed separately and earlier than the Phase II component.

1. 2003-2004 Deferral Account Reconciliation Application Jan./Feb. 2006
Includes:
 - First reconciliation of 2004 deferral account
 - Second reconciliation of 2003 deferral account
2. 2007 General Tariff Application – Phase I Feb./March 2006
3. 2007 General Tariff Application – Phase II May/June 2006
4. 2003-2005 Deferral Account Reconciliation Application November 2006
Includes:
 - First reconciliation of 2005 deferral account
 - Second reconciliation of 2004 deferral account
 - Third and final reconciliation of 2003 deferral account
5. 2008 General Tariff Application - Phase I May 2007
6. 2004-2006 Deferral Account Reconciliation Application November 2007
Includes:
 - First reconciliation of 2006 deferral account
 - Second reconciliation of 2005 deferral account
 - Third and final reconciliation of 2004 deferral account
