Dear Mr. Cameron:

Re: \[AESO 2007 GTA (Application No. 1485517)\]
\[AESO Revised Response to Information Request IPCAA.AESO-047 (b-c)\]

The Alberta Electric System Operator (AESO) has filed its revised response to Information Request IPCAA.AESO-047 (b-c) as directed by the Alberta Energy and Utilities Board in its letter dated February 14, 2007.

In the course of preparing this revised response, the AESO determined that the aggregate monthly demand values provided in the original response to IPCAA.AESO-047 (b) inadvertently included PODs at some substations that did not also serve an STS customer. Those values have been corrected in the revised information response.

If you have any questions or need additional information, please contact me at (403) 539-2465 or by e-mail to john.martin@aeso.ca, or Heidi Kirrmaier at (403) 539-2751 or by e-mail to heidi.kirrmaier@aeso.ca.

Yours truly,
