Dear Jamie:

Re: AESO Interim Fort Nelson Rider H Application

Please find attached an application for an Interim Refundable Fort Nelson Rider H under the tariff of the Alberta Electric System Operator (AESO), submitted to the Alberta Energy and Utilities Board for approval in accordance with Sections 30 and 119 of the Electric Utilities Act.

This application addresses the interim refundable recovery of costs related to the provision of certain incremental contract capacity to BC Hydro to enable service to load at Fort Nelson, British Columbia. The application includes background on the request for incremental contract capacity, an estimate of costs to be recovered under the rider, and a description of impacts on other AESO customers. The rider is intended to remain in place on an interim refundable basis throughout 2008, unless revoked or replaced by another approved rate or rider.

If you have any questions on this application or need additional information, please contact John Martin at (403) 539-2465 or by e-mail to john.martin@aeso.ca.

Sincerely,
