Dear Jamie:

Re: Delay in Responses to Information Requests on AESO 2004-2005 Deferral Account Reconciliation Application (1548908)

The AESO would like to advise the Alberta Utilities Commission (AUC) that it is unable to satisfactorily complete all responses to the information requests for the above-noted application in time for submission today, which is the due date in the process schedule distributed by the AUC on January 18, 2008.

In large part, the responses are not yet complete due to the AESO's additional efforts on evaluating and consulting in respect of proposed changes to the deferral account reconciliation process. The AESO therefore proposes to file all responses no later than next Tuesday, March 18, 2008.

The AESO apologizes for any inconvenience to the AUC or participants. If you have any questions on this matter, please contact me at (403) 539-2465 or by e-mail to john.martin@aeso.ca.

Yours truly,
