Attention: Jamie Cameron, Application Officer

Dear Jamie:

Re: Correction to Title of Table in Information Response Comm.AESO-001 (f) in AESO 2007 General Tariff Application Refiling (1558815)

It has been brought to the AESO’s attention that the title of one of the tables in Information Response Comm.AESO-001 (f) is incorrect. The table on page 11 of that response should be titled as follows:

Table 001 (f)-3 Comparison of Total Substation Costs When Substation Fraction Is Applied to Tier Sizes of Cost Function, \$ 000 000

Substation Capacity	One Customer at Substation		Two Equal Customers at Substation		
	Customer Capacity	Substation Cost	Per-Customer Capacity	Per-Customer Cost	Substation Total Cost
0 MW	0 MW	\$0.9	0 MW	\$0.4	\$0.9
2 MW	2 MW	\$1.9	1 MW	\$1.0	\$1.9
4 MW	4 MW	\$2.9	2 MW	\$1.5	\$2.9
6 MW	6 MW	\$3.9	3 MW	\$2.0	\$3.9
7.5 MW	8 MW	\$4.7	3.75 MW	\$2.3	\$4.7
8 MW	8 MW	\$4.8	4 MW	\$2.4	\$4.8
10 MW	10 MW	\$5.1	5 MW	\$2.6	\$5.1
12 MW	12 MW	\$5.4	6 MW	\$2.7	\$5.4
15 MW	15 MW	\$6.0	7.5 MW	\$3.0	\$6.0

The reference to and discussion of the table on page 10 of the information response is correct, and the values in the table are also correct, but the title had been inadvertently copied from an earlier table.

The AESO apologizes for any confusion or inconvenience this may have caused.

If you have any questions on the information responses, please contact me at (403) 539-2465 or by e-mail to john.martin@aeso.ca.

Yours truly,

[original signed by]

John Martin
Director, Tariff Applications
