Dear Jamie:

Re: **Reply Argument in AESO 2008 Terms and Conditions Amendment Application (1562873)**

The Alberta Electric System Operator (AESO) provides the following reply argument on the above-noted application, in accordance with the schedule set out in the April 3, 2008 letter of the Alberta Utilities Commission (AUC).

As noted in the AESO's argument filed on May 5, 2008, no party as filed any objection to the proposed amendment. As well, no other party submitted argument on the application. The AESO therefore submits that the proposed amendments to the terms and conditions of service be approved as filed.

If you have any questions regarding this reply argument, please contact me at (403) 539-2465 or by e-mail to [john.martin@aeso.ca](mailto:john.martin@aeso.ca).

Yours truly,
