Dear Wayne:

Re: Delay in Responses to Information Requests on Extension of AESO Interim Refundable Fort Nelson Rider H (Application 1600831, Proceeding ID 150)

The AESO advises the Alberta Utilities Commission (AUC) that it is unable to satisfactorily complete all responses to the information requests for the above-noted application in time for submission today, which is the due date in the process schedule distributed by the AUC on January 23, 2009.

The information requests were more numerous and extensive than anticipated by the AESO. The AESO therefore proposes to file all responses no later than Wednesday, February 11, 2009.

The AESO apologizes for any inconvenience to the AUC or participants. If you have any questions on this matter, please contact me at 403-539-2465 in Calgary or by e-mail to john.martin@aeso.ca.

Yours truly,
