Dear Market Participants and Interested Parties:

**Re: AESO Reply to Stakeholder Comments – Proposed Amendments to the Interpretation Section of Alberta Reliability Standards (“Interpretation Section Changes”)**

On June 25, 2010, the AESO issued a [Letter of Notice](#) setting out the Interpretation Section Changes and requesting stakeholder comments on the same.

The final proposed Interpretation Section Changes (the “Final Proposed Interpretation Section Changes”) being recommended for internal AESO approval in August 2010 is attached.

### **Amendments to Proposed Interpretation Section Changes**

Please see the AESO’s June 25, 2010 Letter of Notice for a summary of the proposed Interpretation Section Changes and a blacklined and clean copy of the proposed Interpretation Section Changes.

### **AESO Reply to Stakeholder Comments**

No written stakeholder comments were received by the AESO on the proposed Interpretation Section Changes as set out in the AESO’s June 25, 2010 Letter of Notice.

### **Filing of the Final Proposed Interpretation Section Changes**

The AESO is expecting to file the Final Proposed Interpretation Section Changes with the Commission on August 16, 2010. In accordance with Section 19 of the *Transmission Regulation*, the Final Proposed Interpretation Section Changes are proposed to be effective on September 6, 2010.

### **Attachments to AESO Reply:**

1. [Blacklined](#) and [Clean](#) copy of the Final Proposed Interpretation Section Changes.

Yours sincerely,
