Dear Market Participants and Interested Parties:

**Re: Stakeholder Comments on Letter of Notice – PER-005-AB-1**

**Personnel Performance, Training, and Qualifications (“PER”) Reliability Standard  
PER-005-AB-1 “System Personnel Training” Proposed for Adoption as Alberta  
Reliability Standard (the “Proposed Reliability Standard”)**

Comments received from stakeholders in response to the Alberta Electric System Operator’s (“AESO”) [Letter of Notice](#) of August 5, 2010 for the Proposed Reliability Standard have been posted on the AESO website.

The following table is hyperlinked to provide assistance in directing you to these written comments for the Proposed Reliability Standard:

Thank you to all stakeholders who participated in this consultation. The AESO appreciates stakeholder comments and all written comments received will be considered in the AESO’s finalization of the Proposed Reliability Standard. The AESO intends to finalize the Proposed Reliability Standard for filing with the AUC in October, 2010.

The AESO’s replies to these stakeholder comments and resulting amendments to the Proposed Reliability Standard, if any, will be published on the AESO website in the near future.

Yours sincerely,
