Dear Market Participants and Interested Parties:

Re: Stakeholder Comments on Letter of Notice – PRC-008-AB-0

**Protection and Control (“PRC”) Reliability Standard PRC-008-AB-0
Underfrequency Load Shedding Equipment Maintenance Program Proposed for
Adoption as Alberta Reliability Standard (the “Proposed Reliability Standard”)**

Comments received from stakeholders in response to the Alberta Electric System Operator’s (“AESO”) [Letter of Notice](#) of August 17, 2010 for the Proposed Reliability Standard have been posted on the AESO website.

The following table is hyperlinked to provide assistance in directing you to these written comments for the Proposed Reliability Standard:

Proposed Reliability Standards	
AltaLink Management Ltd	EPCOR –comments
ATCO	Suncor
ENMAX	TransAlta
EPCOR – email	TransCanada

Thank you to all stakeholders who participated in this consultation. The AESO appreciates stakeholder comments and all written comments received will be considered in the AESO’s finalization of the Proposed Reliability Standard. The AESO intends to finalize the Proposed Reliability Standard for filing with the AUC in November, 2010.

The AESO’s replies to these stakeholder comments and resulting amendments to the Proposed Reliability Standard, if any, will be published on the AESO website in the near future.

Yours sincerely,
