

November 2, 2010

Dear Market Participants and Interested Parties:

Re: Stakeholder Comments on Letter of Notice – COM-002-AB-2 Communications and Coordination

Communication (“COM”) Reliability Standard COM-002-AB-2 “Communications and Coordination” Proposed for Adoption as Alberta Reliability Standard (the “Proposed Reliability Standard”)

Comments received from stakeholders in response to the Alberta Electric System Operator’s (“AESO”) [Letter of Notice](#) of September 30, 2010 for the Proposed Reliability Standard have been posted on the AESO website.

The following table is hyperlinked to provide assistance in directing you to these written comments for the Proposed Reliability Standard:

Proposed Reliability Standard	
AltaLink Management Ltd	EDTI
ATCO Electric	ENMAX
ATCO Power	TransAlta
Capital Power Corporation	

Thank you to all stakeholders who participated in this consultation. The AESO appreciates stakeholder comments and all written comments received will be considered in the AESO’s finalization of the Proposed Reliability Standard. The AESO intends to finalize the Proposed Reliability Standard for filing with the AUC in Q1 of 2011.

The AESO’s replies to these stakeholder comments and resulting amendments to the Proposed Reliability Standard, if any, will be published on the AESO website in the near future.

Yours sincerely,
