

August 23, 2011

Dear Market Participant and Interest Parties:

Re: Stakeholder Comments on Consultation for Proposed “Package 11” New, Amended and Removed Reliability Standard Definitions (“Reliability Standards Definition Changes”)

Comments received from stakeholders in response to the Alberta Electric System Operator’s (“AESO”) [Letter of Notice](#) of August 4, 2011, for the proposed Reliability Standards Definition Changes have been posted on the AESO website.

The following grid is hyperlinked to provide assistance in directing you to these written comments.

Reliability Standards Definition Changes
ATCO Electric
Capital Power Corporation

Thank you to all stakeholders who participated in this consultation. The AESO appreciates stakeholder comments and all written comments received will be considered in the AESO’s finalization of the proposed Reliability Standards Definition Changes.

The AESO intends to finalize the proposed Reliability Standards Definition Changes for filing with the AUC in September, 2011.

The stakeholder comments received and the AESO’s replies to these comments are expected to be published on the AESO website in August, 2011.

Yours sincerely,
