Dear Market Participant and Interest Parties:

Re: Stakeholder Comments on Consultation on Proposed New Protection and Control (“PRC”) Reliability Standard Definition (“New PRC Reliability Standard Definition”)

Comments received from stakeholders in response to the Alberta Electric System Operator’s (“AESO”) [Letter of Notice](#) of September 27, 2011, for the proposed New PRC Reliability Standard Definition has been posted on the AESO website.

The following table is hyperlinked to provide assistance in directing you to these written comments for the proposed New PRC Reliability Standard Definition.

Proposed New PRC Reliability Standard Definition
AltaLink Management Ltd
ATCO Power
ENMAX

Thank you to all stakeholders who participated in this consultation. The AESO appreciates stakeholder comments and all written comments received will be considered in the AESO’s finalization of the proposed New PRC Reliability Standard Definition. The AESO intends to finalize the proposed New PRC Reliability Standard Definition for filing with the AUC in December, 2011.

The AESO’s replies to these stakeholder comments and resulting amendments to the proposed New PRC Reliability Standard Definition, if any, will be published on the AESO website in the near future.

Yours sincerely,
