

January 31, 2012

Dear Market Participant and Interest Parties:

**Re: Stakeholder Position Letter received on Consultation for Proposed Alberta Reliability Standard: Emergency Preparedness and Operations *Emergency Operations Planning* EOP-001-AB-2 (previously consulted on as EOP-001-AB-1) ("EOP-001-AB-2b")**

A Position Letter received from a stakeholder following the posting of the Alberta Electric System Operator's ("AESO") Reply Letter of January 17, 2012, for proposed EOP-001-AB-2b has been posted on the AESO website.

The following table is hyperlinked to provide assistance in directing you to the Position Letter for proposed EOP-001-AB-2b.

<b>Position Letter EOP-001-AB-2b</b>
<a href="#">ATCO Power</a>

The Position Letter is currently under review. Accordingly, the filing of proposed EOP-001-AB-2b will be delayed until the review has been completed.

The AESO will notify stakeholders of its determination with respect to the Position Letter and will provide further notice regarding the filing of proposed EOP-001-AB-2b with the Commission at that time.

Yours sincerely,

*Original Signed By*
