In the process schedule and technical meeting letter issued by the Alberta Utilities Commission (Commission) in the above-noted proceeding on July 10, 2012, the Commission requested “that the AESO establish a date and venue [for a technical meeting] prior to the deadline for information requests and to communicate this to parties.”

The AESO accordingly advises parties of the following technical meeting details:

- **Date:** Thursday, July 19, 2012

- **Location:** AESO Board Room, 25th Floor, 330 – 5th Avenue SW, Calgary, Alberta

- **Register:** By 5:00 PM on Tuesday, July 17, 2012, to Tania Berdine at tania.berdine@aeso.ca or 403-539-2907

The AESO will present an overview of the information included in its 2012 Construction Contribution Policy Application, including:

The AESO notes that much of the information will be similar to that presented in the second stakeholder information session held on May 17, 2012, updated to reflect changes included in its application as filed.
