Re: [AESO Recommendation Paper - Operating Reserve Market Redesign](#)

The AESO wishes to inform participants that we have posted a recommendation paper to our website entitled AESO Recommendation Paper - Operating Reserves Market Redesign. The paper along with an AESO response matrix to stakeholders comments from September 2008 (Appendix A) and a comment matrix (Appendix B) may be accessed by going to our website at <http://www.aeso.ca> and then following the path Market>Market Policy Implementation>Operating Reserves Market Redesign.

The AESO will be holding a stakeholder session on Wednesday, February 4th, 2009 at The Metropolitan Centre in the Strand / Tivoli Room at 1:00 pm where the AESO will engage stakeholders in further discussion. Please RSVP to April Walters at [april.walters@aeso.ca](mailto:april.walters@aeso.ca).

All market participants and interested parties are encouraged to provide comments on the recommendation paper to the AESO by February 20th, 2009. Please e-mail your completed comment matrix to [paul.barry@aeso.ca](mailto:paul.barry@aeso.ca).
