Dear Market Participants and Interested Parties:

**Re: AESO Response to Stakeholder comments on Proposed New Level I ISO Rule 10.9 Load Outage Reporting Required to Implement Fair, Efficient and Open Competition Regulation (“FEOC Regulation”)**

ISO rule 10.9 identifies the load outage reporting requirements of a market participant in the event of a decrease in its ability to consume electricity. Proposed new ISO rule 10.9 is required to implement the requirements of the FEOC Regulation, which comes into force on September 1, 2009. The new ISO rule was initially distributed for consultation on July 24, 2009.

The AESO has received market participant comments on the proposed ISO rule, and is required to provide responses pursuant to Section 8 of the Alberta Utilities Commission Rule 17. [Click here](#) to access the comment-response matrix for the proposed new ISO rule 10.9.

Yours sincerely,
