

The AESO adds SIX NEW Open Houses

You're Invited We're listening

The Alberta Electric System Operator (the AESO) is meeting with members of the community to provide information and to hear your feedback on the need for reinforcement of the transmission system between the Edmonton and Calgary regions. Construction of a new transmission line between the regions is being considered within the grey study area of the map. A second reinforcement is forecast to be needed in the next few years. After receiving community input, the AESO will make decisions on need and preferred routing and file a Needs Identification Document with the Alberta Utilities Commission.

Information will be available on options being considered for reinforcement.

Two transmission facility owners, AltaLink and ATCO Electric, will also be in attendance to answer your questions.

Please join us at any of the information sessions listed below between **4:00 PM and 8:00 PM**. At each open house various representatives will be available to show you the alternatives and to listen to your opinions and advice.

OLDS June 2
Olds Alumni Centre

TROCHU June 3
Trochu Community Centre

CROSSFIELD June 4
Main Hall

RED DEER June 5
South Hill Kinsmen
Community Centre

ECKVILLE June 9
Eckville Community Centre

DICKSON June 10
Spruce View
Community Hall

STETTLER June 11
Recreation Centre
