Dear Market Participants and Other Interested Parties:

Re: **Available Transfer Capability (ATC) Stakeholder Information Session**

On March 17, 2011 the AESO began consultation on [Proposed New ISO Rules Section 203.6 "Available Transfer Capability and Transfer Path Management" and removal of existing ISO OPPs 301, 302, 303, 304, 306, 307 and ISO Rules Subsection 6.3.3](#). The AESO is holding a follow-up stakeholder session to discuss the content of proposed changes and address clarifying questions on April 6, 2011 at 9:30 am. The meeting will be held in the AESO Boardroom.

Market participants interested in participating should contact Kevin Dawson at 403-539-2623 or [Kevin.Dawson@aeso.ca](mailto:Kevin.Dawson@aeso.ca) for further information.

Yours truly,
