9:00 a.m. to 12:00 p.m.

Strand Tivoli Room, Metropolitan Centre

333 – 4th Avenue S.W.

Calgary, Alberta

The Alberta Electric System Operator is pleased to invite all stakeholders to an information session to discuss Alberta's 24 Month Reliability Outlook. This annual initiative by the AESO provides an overview of the reliability of Alberta's electricity grid over the upcoming two year period. The session will discuss transmission system constraints, transmission reinforcements, load growth, and supply adequacy, all from the perspective of assessing our ability to meet reliability requirements for the current operating season as well as the for the next two years.

The meeting will be held in Calgary on **Wednesday, December 8, 2010**, in the **Strand Tivoli Room, Metropolitan Conference Centre, 333 - 4th Avenue S.W.**, from **9:00 a.m. to 12:00 p.m.**

Please RSVP to Audrey Connelly at audrey.connelly@aeso.ca by December 1, 2010.
