**Re: "Quick Hits" Implementation – Comment Matrices**

We have received numerous written submissions regarding the implementation of the “Quick Hits” package. We have attempted to respond to these submissions in the following matrices.

The matrices are organized by topic for ease of reference.

[Quick Hits Comment Matrix – Merit Order Stabilizers](#)

[Quick Hits Comment Matrix – Imports](#)

[Quick Hits Comment Matrix – Payments to Generators on the Margin](#)

[Quick Hits Comment Matrix – Transmission Must Run](#)
