Presentation on ISO Rules Compliance Monitoring Program
For Section 501.2 of the ISO Rules, Security of Critical Facilities

10:00 a.m. until 2 p.m. March 27, 2015

Alberta Electric System Operator
BP Centre – Room 6006, 6th floor
240 4th Avenue S.W., Calgary

The AESO is pleased to invite interested stakeholders to a presentation by the ISO Rules Compliance Group. The purpose will be to present the AESO’s implementation of a new program for monitoring compliance with the requirements in Section 501.2 of the ISO Rules (Section 501.2).

Tentative Agenda:

- AESO Introduction of team members and roles
- History and overview of the requirements in Section 501.2
- Role of AESO Compliance
- Compliance Monitoring Program for Section 501.2
- Other Questions

Intended Audience: This presentation is intended for organizations identified in the critical infrastructure list established under the Alberta Counter-Terrorism Crisis Management Plan.

RSVP to securityrulecompliance@aeso.ca no later than March 24, 2015. As seating space is limited, please indicate whether or not you will attend and how many will be attending from your organization. In case the confirmed number of attendees is more than what the AESO can accommodate, the AESO may decide to limit the number of seats per organization.

As a light lunch will be provided, please indicate in your RSVP any dietary restrictions.

For More Information: Please contact Kevin Wipond at 403.539.2831, Jeff Norek at 403.539.2844 or email the AESO at securityrulecompliance@aeso.ca.
