

Keltie Paul, Regional Advisor

December 2008

Ms. Keltie Paul, MA, SEARCH IV, RPC, is currently Supervisor of Counselling Services with the Municipality of Wood Buffalo. In this role, she also serves as Reception Site Supervisor for Emergency Social Services. Ms. Paul is a seasoned health promoter, with experience in development and delivery of community-based programs throughout Northern Alberta.

Ms. Paul has worked in the public health system as well as non-profit agencies focusing on public education, psycho-education and community development. Ms. Paul has a strong background in writing and researching community health issues, as well as creating and publishing professional papers. In addition to her current role, Ms. Paul has extensive experience serving on many committees and boards. She is currently Cohort IV Liaison for the Swift Efficient Application of Research in Community Health, and Chair of the Action Task for the Community Partnership Enhancement Fund. Her past committee work includes Chair of the Advisory Group for the Alberta Centre for Active Living, and member of the Alberta Traffic Safety Fund Grants Committee.

Ms. Paul is a member of the Alberta Public Health Association and the Canadian Professional Counsellors Association.

The Alberta Electric System Operator is Canada's first customer-focused exchange for electricity. As an independent system operator, the AESO leads the safe, reliable and economic planning and development of Alberta's interconnected power system. The AESO also facilitates Alberta's competitive wholesale electricity market, which has about 200 participants and approximately \$8 billion in annual energy transactions.
