

Stakeholder Session Invitation

April 7, 2011

Dear Market Participants and Other Interested Stakeholders:

Re: **Alberta Reliability Standards Stakeholder Session**

The AESO is pleased to invite all interested stakeholders to attend an information session on Alberta Reliability Standards (ARS) to be held in Calgary on **Tuesday, May 3, 2011** from **9 a.m. – noon**, in the **Strand / Tivoli Room, Metropolitan Conference Centre, 333 – 4th Ave S.W., Calgary, Alberta**. The agenda for the session will cover:

- AESO roles and responsibilities
- ARS development process
- Role of AESO Reliability Committee
- ARS compliance update
- Role of ARS discussion group
- ARS project charter
- ARS project schedule
- Outstanding issues
- ARS project status update
- ARS key contacts
- Question and answer session

Please RSVP to audrey.connelly@aeso.ca or ph: 403-539-2809 by **April 29, 2011**.

Sincerely,

Jason Murray, Director Operational Effectiveness

cc: Mike Law, Vice-President Operations
