Re: **AESO Quick Hits Review Paper Comment and Response Matrix**

The AESO is pleased to inform participants that we have posted a stakeholder comment response matrix to our website. The matrix contains stakeholder comments on the AESO paper entitled Quick Hits A Six Month Review together with AESO responses to those comments. The [comment matrix](#) may be accessed by going to our website at <http://www.aeso.ca> and then following the path Market > Market Policy Implementation > Quick Hits.

As noted in the comment response matrix the AESO is undertaking further analysis of the DDS market and will share that analysis with participants in the near future.

The AESO wishes to thank market participants and interested parties for providing their input on the analysis design and final report. Should you have any questions regarding the comment matrix, please contact Gordon Nadeau 403 539-2568.

Yours truly,
