

AESO Reliability Standards Monthly Report

June 2009

WECC-0047-0 - Pre-Schedule Process Regional Criterion

Purpose:

First draft of the Pre-schedule Process Regional Criterion.

Proposed Criterion:

To establish a minimum set of criteria for when and what is required for the submittal and processing of Pre-schedule Data in the WECC.

Applicability:

Load Serving Entity, Balancing Authority, Transmission Service Provider, Reliability Coordinator, Purchasing-Selling Entity, Reliability Assurer (WECC)

Current Status:

The Criterion was posted for comment until June 11, 2009. The AESO did not comment.
