RE: Notification to Participants: System Marginal Price (SMP) and Pool Price (PP) Correction

The AESO experienced technical difficulties with the Dispatch Tool from May 29, 2008 20:00hrs to May 30, 2008 03:00 hrs. During this time, the SMP and PP reports were affected for two hours. The table below includes a summary of the corrected SMP and PP for the affected periods.

Please note the appropriate reports have also been updated accordingly on the AESO's website.

Date (HE)	Time	System Marginal Price (\$)	Hourly Pool Price
05/29/2008 21	20:25	93.11	
05/29/2008 21	20:00	98.00	
Pool Price for 05/29/2008 HE21			\$95.15
05/30/2008 03	02:29	66.22	
05/30/2008 03	02:07	113.80	
05/30/2008 03	02:00	83.64	
Pool Price for 05/30/2008 HE03			\$85.70

I apologize for any inconveniences this may have caused, and I would like to thank participants for their cooperation during this time.

Sincerely,
