Re: Extension – Stakeholder comments on Market Suspension Discussion Paper, Revised ISO Rule 9.4 Transmission Congestion Management (TCM), and Connection Remedial Action Scheme (RAS) rule

The Alberta Electric System Operator (AESO) is pleased to inform participants that in response to stakeholder requests we have extended the deadline for providing comments on the following:

- Market Suspension Discussion Paper (“Market Suspension”)
- Revised ISO Rule 9.4 TCM (“TCM Rule”)
- Connection RAS rule (“RAS Rule”)

All market participants and interested parties are encouraged to provide comments to the AESO by **September 3, 2010** which is 3 days later than the original deadline. Please email your completed comment matrix to gordon.nadeau@aeso.ca for the TCM Rule and RAS Rule; and to ruppa.minhas@aeso.ca for Market Suspension.

The TCM Rule and RAS Rule, along with the comment matrix may be accessed by going to our website at <http://www.aeso.ca> and then following the path Market > Market Policy Implementation > Congestion Management.

The Market Suspension Discussion Paper along with a comment matrix may be accessed by going to our website at <http://www.aeso.ca> and then following the path Market > Market Policy Implementation > Market Suspension Rule Review.

Should you have any questions regarding this notice, please contact Gordon at 403-539-2568 or Ruppa at 403-539-2589.

Sincerely,

“original signed by”
