Dear: Market Participants and Interested Parties

Re: AESO Market Services June 24, 2008 Stakeholder Meeting – Rule 6.6 Discussion.

Market Services invites all market participants and interested parties to attend a formal stakeholder session intended to create dialogue with respect to ISO Rule 6.6 Pool Participant Non-Compliance with Energy Market Dispatch and Directives. The AESO is particularly interested in hearing about any new issues with respect to rule 6.6 that have not been filed with the AUC and we would like to engage participants in a two way discussion of possible solutions for all rule 6.6 issues.

The AESO intends to record key points from the meeting and use them as input into a discussion paper to be issued to participants later this summer.

The meeting is to be held at the **Metropolitan Centre** in Calgary, 333 Fourth Avenue S.W. on **Tuesday June 24, 2008 from 9:00 a.m. to 12:00 p.m.** Please RSVP to Alexandra McAlister at alexandra.mcalister@aeso.ca by June 19, 2008.

Yours sincerely,
