Dear Market Participants and Interested Parties

Re: Test Run Of The Rossdale Generators

Under the terms and conditions of the Rossdale TMR agreement, the AESO has directed Epcor to conduct a test run of the Rossdale generators during the period October 23 -25, 2006.

Please refer to [ISO Operating Policy and Procedure \(OPP\) 518](#) - Rossdale Generator TMR Dispatches and Directives, section 3.1, last bullet.

This notification is provided in accordance with OPP 518 section 3.2, third bullet.

A detailed test schedule will be provided at least one week prior to the test.

Yours truly,
