Dear Market Participants and Interested Parties:

**Re: Transmission Constraints Management:
Stakeholder Comments on Rule 9.4 AUC Re-Filing Proposal Discussion Paper**

On December 3, 2009 the AESO published a discussion paper titled "[AESO Discussion Paper Transmission Constraints Management: Rule 9.4 AUC Re-Filing Proposal.](#)" Stakeholder feedback was requested at that time, and at the January 7, 2010 stakeholder presentation. The comment period was extended to January 22, 2010 to provide stakeholders with additional time to prepare comments. The following grid is hyperlinked to provide assistance in directing you to these comments:

Rule 9.4 AUC Re-Filing Proposal Comments		
ADC	ENMAX	Suncor
AltaLink	IPCAA	TransAlta
ATCO	IPPSA	TransCanada
Capital Power	MEG	

The paper along with the stakeholder comments may also be accessed by going to our website at <http://www.aeso.ca> and then following the path Market > Market Policy Implementation > Congestion Management.

Thank you to all stakeholders who provided comments on the paper. The AESO will consider the feedback provided by stakeholders and prepare a comment response matrix containing AESO responses to those stakeholder comments. Should you have any questions regarding this notice, please contact Gordon Nadeau 403-539-2568.

Sincerely,
