Re: **10 Minute Historical Data for Total Wind Power and Alberta Internal Load**

In response to requests to provide detailed wind generation data the AESO has decided to publish historical 10 minute wind power and Alberta Internal Load (AIL) data each quarter. The AESO has previously published similar information from [2004-2009](#) and for [2010](#). This update is to provide the same information for the first quarter of 2011.

Please [click here](#) [NTD – link to data file] to view the data file.

If you have any questions or comments please contact Matthew Davis at (403)-539-2645 or matthew.davis@aeso.ca.

Yours truly,
