

ATTACHMENT B SINGLE LINE DIAGRAM

P2263 Proposed Transmission Development - Area Transmission System

This diagram contains a simplified version of the system configuration. Technical detail has been simplified for illustration purposes. It does not indicate geographical locations of facilities.

- Future Wind Generator
- Coal Generator
- Coal/Gas Generator
- Generator
- Wind Generator
- Future 138 kV
- Future 138/144 kV
- 240 kV
- 240 kV
- Double Circuit
- 69 or 72 kV Substation
- 138 or 144 kV Substation
- 240 kV Substation
- P2263 Project Area
- AESO
- Planning Areas
- Normally Open Line
- 69/72 kV
- 138/144 kV
- 240 kV
- 240 kV
- 500 kV
- P2263 Project Area
- AESO
- Planning Areas
