

Date: March 16, 2026

Applicant's company name: Alberta Electrical System Operator (AESO)

Needs identification document approval cancellation

Cancellation application requirement (CT1)

Provide the approval number to be cancelled and the rationale for the cancellation.

Needs Identification Document Approval 27255-D01-2022, issued March 29, 2022.

The AESO received and accepted a request from Beargrass Solar Inc., the market participant, to cancel its system access service request to connect the Beargrass Solar Project (previously known as the Brooks Solar Farm) in the Brooks area. Therefore, the AESO is requesting the cancellation of the associated Needs Identification Document Approval.

Transmission line, substation and other transmission facility cancellation

Cancellation application requirement (CT2)

Provide the permit and licence and connection order number (if applicable) to be cancelled.

Cancellation application requirement (CT3)

Provide a letter from the independent system operator endorsing the cancellation.

[Please submit along with your application].

Cancellation application requirement (CT4)

Describe whether any work on the construction of the transmission line or substation has been started, and if so, describe the extent of the work.

Cancellation application requirement (CT5)

If any work on the construction of the transmission line or substation has been started, describe how the site will be reclaimed.

Cancellation application requirement (CT6)

Confirm that personal notification was provided to occupants, residents, landowners, Indigenous groups, and other utilities on, or directly adjacent to, the project right-of-way or location.

When complete, save a copy of this form as a PDF file and submit the file to the AUC through the eFiling System
