Dear Ms. Morter:

**Re: Alberta Electric System Operator (AESO)
2025 ISO Tariff Update Application**

Please find enclosed the AESO's 2025 ISO Tariff Update Application, which requests approval of changes to the levels (that is, the dollar-based and percentage of pool price amounts) of Rate DTS, Rate FTS, Rate DOS, Rate PSC, Rate XOS, Rate XOM, Rate STS, Rider J and GUOC Rates.

This application also consists of the 2025 ISO tariff Rider F, *Balancing Pool Consumer Allocation* update and administrative amendments to the ISO tariff to update the AESO's head office and mailing address. Lastly, the AESO seeks to update the Commission, by way of this application, that Rider L, *Utility Deferral Adjustment* will be removed from the ISO tariff effective January 1, 2025 as it was closed as of June 18, 2022.
