Re: Late Stakeholder Comments on Letter of Notice – Revised New Section 201.13 of the ISO Rules, *Capacity Market Clearing* (“Section 201.13”)

On January 14, 2019, the Alberta Electric System Operator’s (“AESO”) received late written comments on the Revised New Section 201.13 from TransAlta Corporation.

The following is hyperlinked to provide assistance in directing market participants to these written comments.

Revised New Section 201.13
TransAlta Corporation

The AESO will provide responses to TransAlta’s supplemental comments on January 18, 2019.

Sincerely,

Alison Desmarais

Regulatory Coordinator
