To: Market Surveillance Administrator, Stakeholders and Other Interested Parties

Re: **Notice of Stakeholder Consultation Session on the Development of the Proposed New ISO Rule – Section 502.11, Substation Technical and Operating Requirements (“Section 502.11”)**

Pursuant to Section 6, of Alberta Utilities Commission Rule 017, *Procedures and Process for Development of ISO Rules and Filing of ISO Rules with the Alberta Utilities Commission*, the Alberta Electric System Operator (“AESO”) is providing notice regarding an upcoming stakeholder consultation session on the proposed new Section 502.11.

The AESO invites stakeholders and other interested parties to attend the stakeholder consultation session, as follows:

Time: 10:00 a.m. to 3:00 p.m. Lunch will be provided.

Date: March 18, 2019

Location: Meeting Room 6006, 6th floor of the BP Centre located at 240 – 4th Ave SW
Calgary, AB T2P 2H8

Note that the glass doors on the 6th floor are locked; please knock to attract the receptionist’s attention to have them released for you.

Purpose/Objectives of the Consultation Session

Proposed new Section 502.11 will define the minimum technical requirements for the design, construction and operation of transmission substations. The purpose of the consultation session is to discuss and seek feedback on stakeholder comments received in response to the AESO’s November 22, 2018 Letter of Notice.

Stakeholder Comments/Notice of Intent to Participate

If you intend to participate in the consultation session, please RSVP by email to rules_comments@aeso.ca on or before **March 7, 2019**. If your organization has not previously submitted a notice of intent to participate in the Section 502.11 consultation, the AESO will consider the RSVP to provide such notice.
