The AESO is seeking comments from stakeholders on its approach to reviewing the pricing framework, and content from session 3.

| | Questions | Stakeholder Comments |
|----|--|---|
| 1. | <p>The AESO has presented pricing framework options, and the risks and benefits of each, see below:</p> <ul style="list-style-type: none"> A. Implement improvements to the pricing framework now to incent efficient market response during <i>supply shortage and supply surplus</i> situations B. Implement option A, in future, but <i>delay</i> due to conflicting priorities and external issues that exist today C. <i>Maintain current pricing framework</i>– AESO will continue to monitor the state of the market for signs of loss of system efficiencies <p>Do you believe there other alternatives that should have been considered. If yes, please elaborate.</p> | <p>ADC and IPCAA do not believe that there were other alternatives that should have been considered.</p> |
| 2. | <p>The AESO's draft recommended approach is Option C above, maintain the current pricing framework. Do you have comments related to this recommendation?</p> | <p>ADC and IPCAA submit that the AESO should provide a series of conditions under which it would re-open the pricing framework for review, rather than simply monitoring the state of the market.</p> |
| 3. | <p>Do you feel you have been able to adequately participate and provide comments to the AESO through this engagement? If no, please describe your concerns.</p> | <p>Yes, ADC and IPCAA have been able to adequately participate and provide comments to the AESO through this engagement.</p> |
| 4. | <p>Do you believe the AESO was effective in the preparation and presentation of the material? If no, please provide suggestions for the improvement of future engagements.</p> | <p>ADC and IPCAA have no major concerns with the presentation material.</p> |
| 5. | <p>Please provide any other comments you have related to the pricing framework engagement.</p> | <p>No additional comments.</p> |
