***The AESO is seeking comments from Stakeholders with regard to the following matters:***

## Stakeholder Comment Matrix – July 28, 2020

### Development of a Proposed New and Amended Communication ISO Rules and Reliability Standards July 2020 Stakeholder Session

	Question	Stakeholder Comments
1.	Please comment on the communication ISO rules and reliability standards stakeholder session hosted on July 20, 2020. Was the session valuable?	Yes it was and AE appreciates AESO's effort in this regard.
2.	Do you have any comments related to the draft proposed new COM-001-AB-3, <i>Communications</i> , that were not discussed at the July 2020 Stakeholder Session? If so, please comment.	No
3.	Do you have any comments related to the draft proposed amended Section 502.4, <i>Automated Dispatch and Messaging System</i> , that were not discussed at the July 2020 Stakeholder Session? If so, please comment.	No
4.	Do you have any comments related to the draft proposed amended Section 502.17, <i>Voice Communication System Requirements</i> , that were not discussed at the July 2020 Stakeholder Session? If so, please comment.	<i>AE does not have any concern with the clean copy of 502.17, however wanted to ensure that compliance will be 2 years after AUC approval date vs the original 9 months identified for the system to be fully installed and commissioned.</i>
5.	Do you have any additional comments?	No

Thank you for your input. Please email your comments to: [rules\\_comments@aeso.ca](mailto:rules_comments@aeso.ca).
