

March 14, 2018

To Registered Participants in Proceeding 790 and Other Interested Parties

Dear Stakeholder:

Re: **Invitation to Technical Meeting to Present 2018 Loss Factors Determined Under Section 501.10 of the ISO Rules, *Transmission Loss Factors* (“Loss Factor Rule”)**

The AESO anticipates publishing 2018 loss factors during the week of March 19-23, 2018. The loss factors were determined under the Loss Factor Rule that became effective on December 7, 2017.

The AESO expects the 2018 loss factors to first be used for billing of system access service under Rates STS, XOS, IOS, and DOS on statements of account issued in April 2018 for initial and interim settlement of March and January 2018, respectively.

The AESO invites registered participants in Proceeding 790 and other interested parties to attend the following technical meeting at which the 2018 loss factors will be presented:

Time:	1:30 to 4:30 pm
Date:	Tuesday, March 27, 2018
Location:	Calgary Place Main Boardroom, 25th Floor, 330 – 5th Avenue SW, Calgary
Teleconference:	Information will be provided to parties upon RSVP.
RSVP:	Provide names and titles of all participants that will attend by 5:00 pm on Friday, March 23, 2018 to Brenda Hill at 403-539-2850 or brenda.hill@aeso.ca .
Refreshments:	Coffee, juice, pastries, and fruit

As indicated above, parties may participate by teleconference.

The subject areas to be covered during the meeting are as follows:

- summary of loss factors and related information posted on the AESO website during week of March 19-23;
- loss factor results, including exclusion rates and causes;
- examples of outlier loss factors, including likely causes;
- shift factor results;
- comparisons of 2018 loss factors with 2017 loss factors; and
- future loss factor work, including Module C loss factor recalculations for 2006-2016 and development of 2019 loss factors.

Representatives from Teshmont Consultants LP will attend the meeting. Questions will be responded to as time permits during the meeting. The AESO does not expect to provide written responses to questions asked during the meeting.

The AESO will distribute the technical meeting presentation prior to the meeting, to parties who RSVP. The presentation will be posted on the AESO website following the meeting, at www.aeso.ca ► Grid ► Loss factors ► 2017-2018 loss factor development ► Technical Meetings.

If you have any questions regarding the meeting, please contact John Martin at 403-539-2465 or by email to john.martin@aeso.ca.

Yours truly,

John Martin
