To Registered Participants in Proceeding 790 and Other Interested Parties

Dear Stakeholder:

Re: **Invitation to Technical Meeting on Loss Factor Activities Under Section 501.10 of the ISO Rules, *Transmission Loss Factors* (“Loss Factor Rule”)**

The AESO has investigated matters raised during the loss factor technical meeting held on April 27, 2018 and has begun planning its 2019 loss factor development activities. As well, the AESO anticipates posting initial results from the recalculation of loss factors for the historical period of 2006-2016 in the near future.

The AESO invites registered participants in Proceeding 790 and other interested parties to attend the following technical meeting at which information on these loss factor activities will be presented:

Time: 9:00 am to Noon
Date: Thursday, July 26, 2018
Location: BP Centre Meeting Room 6006, 6th Floor, 240 – 4th Avenue SW, Calgary
Note that the glass doors on the 6th floor are locked; please knock and the receptionist will unlock the door for you.
Teleconference: Information will be provided to parties upon RSVP.
RSVP: Provide names and titles of all participants that will attend by 5:00 pm on Tuesday, July 24, 2018 to Brenda Hill at 403-539-2850 or brenda.hill@aeso.ca.
Refreshments: Coffee, juice, pastries, and fruit

Please note that the meeting is in BP Centre rather than Calgary Place. As indicated above, parties may participate by teleconference.

The subject areas to be covered during the meeting are as follows:

- review of matters raised with respect to 2018 loss factors;
- status update for Module C compliance filing;
- summary of Module C loss factors and related information posted on AESO website prior to meeting;
- status update for Module C loss factor calculations;
- status update for loss factor rule amendment; and
- schedule for loss factor activities during remainder of 2018, including 2019 loss factor development.

Representatives from Teshmont Consultants LP will attend the meeting. Questions will be responded to as time permits during the meeting. The AESO does not expect to provide written responses to questions asked during the meeting.

The AESO will distribute the technical meeting presentation prior to the meeting, to parties who RSVP. The presentation will be posted on the AESO website following the meeting, at www.aeso.ca ► Grid ► Loss factors ► 2017-2018 loss factor development ► Technical Meetings.

If you have any questions regarding the meeting, please contact John Martin at 403-539-2465 or by email to john.martin@aeso.ca.

Yours truly,

John Martin
