To Registered Participants in Proceeding 790 and Other Interested Parties

Dear Stakeholder:

Re: **Invitation to Technical Meeting on Loss Factor Activities Under Section 501.10 of the ISO Rules, *Transmission Loss Factors* (“Loss Factor Rule”) and Consultation on Additional Amendments to the Loss Factor Rule**

The AESO is completing its investigation of matters raised during prior loss factor technical meetings and in the context of the Module C compliance filing and has also progressed in its 2019 loss factor development activities. As well, the AESO wishes to consult further with stakeholders on additional amendments to the Loss Factor Rule.

The AESO invites registered participants in Proceeding 790 and other interested parties to attend the following technical meeting at which information on these loss factor activities will be presented:

Time: 1:30 to 4:30 pm
Date: Thursday, December 13, 2018
Location: BP Centre Meeting Room 6006, 6th Floor, 240 – 4th Avenue SW, Calgary
Note that the glass doors on the 6th floor are locked; please knock and the receptionist will unlock the door for you.
Teleconference: Information will be provided to parties upon RSVP.
RSVP: Provide names and titles of all participants that will attend by 5:00 pm on Monday, December 10, 2018 to Brenda Hill at 403-539-2850 or brenda.hill@aeso.ca.
Refreshments: Coffee, juice, snacks, and fruit

Please note that the meeting is in BP Centre rather than Calgary Place. As indicated above, parties may participate by teleconference.

The subject areas to be covered during the meeting are as follows:

- findings from investigation of volume discrepancies in loss factor calculation results;
- status update on 2019 loss factor calculations;
- status update for Module C loss factor calculations;
- discussion of additional amendments to the Loss Factor Rule; and
- review of schedule for loss factor activities and question list posted on AESO website.

Representatives from Teshmont Consultants LP will attend the meeting. Questions will be responded to as time permits during the meeting. The AESO does not expect to provide written responses to questions asked during the meeting.

The AESO will distribute the technical meeting presentation prior to the meeting, to parties who RSVP. The presentation will be posted on the AESO website following the meeting, at www.aeso.ca ► Grid ► Loss factors ► Stakeholder engagement ► Technical meetings.

If you have any questions regarding the meeting, please contact John Martin at 403-539-2465 or by email to john.martin@aeso.ca.

Yours truly,

John Martin
