Re: **Alberta Electric System Operator (“AESO”) Amended Reply to Stakeholder Comments – re Section 201.5 of the Proposed Capacity Market Rules and Definitions**

On November 29, 2018, the AESO issued a [Reply to Stakeholder Comments](#) letter regarding the comments received on the proposed Capacity Market Rules and Definitions from market participants and other interested parties (“stakeholders”). An updated response to Powerex’s comment on subsection 2(1) was inadvertently excluded in the response published on November 29, 2018; therefore, the AESO is posting an amended AESO’s Replies to Proposed Amended Section 201.5, *Energy Market Block Allocation* matrix.
