*The AESO is seeking comments from Stakeholders on the development of proposed new ISO rule Section 502.7, Load Facility Technical Requirements with regard to the following matters:*

	Development of a Proposed ISO Rule	Stakeholder Comments and/or Alternate Proposal
1.	Do you agree or disagree that the issue identified requires the development of proposed new ISO rule Section 502.7, Load Facility Technical Requirements? Please comment.	AltaLink agrees that a new ISO rule Section 502.7 should be developed to replace the existing load portion of the existing 'Generation and Load Interconnection' Standard.
2.	Do you agree or disagree with the potential objective or purpose of proposed new ISO rule Section 502.7, Load Facility Technical Requirements? Please comment.	AltaLink agrees with the objective of a new ISO rule Section 502.7 to replace the existing load portion of the existing 'Generation and Load Interconnection' Standard.
3.	Do you agree or disagree with the proposed form of consultation and timelines? Please comment.	<p>AltaLink agrees with the proposed form of consultation.</p> <p>AltaLink is concerned with the proposed timelines for feedback as this will be over the holiday period in December. AltaLink is aware that its personnel may be away during this review period and not available to prepare adequate comments prior leaving for the holidays. AltaLink recommends a two (2) week delay be inserted into the schedule starting with step 3:</p> <ul style="list-style-type: none"><li>3) January 17, 2019 – Deadline for submitting written comments on proposed new Section 502.7;</li><li>4) February 1, 2019 – Post all written comments and provide written responses to the comments; and</li><li>5) February 14, 2019 - Submit Application for Commission Approval of proposed new Section 502.7.</li></ul>

4.	Do you intend to participate in any related consultation? <b>OR</b> Do you agree that no consultation group is required for this rule development? Please comment.	Yes, AltaLink intends to participate in any related consultation leading to the finalization of the proposed wording of the ISO rule Section 502.7, and intends to provide comments on the proposed wording of the Draft rule.
5.	Do you have any additional comments?	AltaLink will be participating in the final review of the DRAFT Rule 502.7 and will be providing written comments on the proposed wording.
