**The AESO is seeking comments from Stakeholders on the development of proposed new ISO rule Waivers and Variances Rule with regard to the following matters:**

	Development of a Proposed ISO Rule	Stakeholder Comments and/or Alternate Proposal
1.	Do you agree or disagree that the issue identified requires the development of proposed new ISO rule Waivers and Variances Rule? Please comment.	Agree
2.	Do you agree or disagree with the potential objective or purpose of proposed new ISO rule Waivers and Variances Rule Please comment.	Agree
3.	Do you agree or disagree with the proposed form of consultation and timelines? Please comment.	Agree
4.	Do you intend to participate in any related consultation? <b>OR</b> Do you agree that no consultation group is required for this rule development? Please comment.	EEC will participate in any related consultation.
5.	Do you have any additional comments?	EEC is interested in participating in any consultation groups. EEC fully agrees that waivers and variances are required at times. However, since rules are designed to ensure participants comply with the requirements, waivers and variances need to be applied in a fair and efficient manner.
