To: Market Participants and Other Interested Parties

Re: **Invitation to Participate in AESO Technical Work Group Session Regarding Draft Alberta Reliability Standard FAC-008-AB-3, *Facility Ratings* ("FAC-008-AB-3")**

On October 5, 2015, the AESO hosted a technical work group session to present draft FAC-008-AB-3. Since the October 5 technical work group session, the AESO has made further changes to draft FAC-008-AB-3 that the AESO would like to review and discuss with market participants and interested parties.

Accordingly, the AESO now invites market participants and interested parties to attend the technical work group session, as follows:

Time: 9:00 a.m. to 12:00 p.m.

Date: Friday, October 14, 2016

Location: Meeting Room 6006, 6th floor of the BP Centre located at 240 – 4th Ave SW
Calgary, AB T2P 2H8

Note that the glass doors on the 6th floor are locked; please knock to attract the receptionist's attention to have them released for you

RSVP: To register, please provide names and titles of all participants that will attend by 5:00 p.m. on October 6, 2016 to Tatiana Aparicio-Caris at 403-539-2664 or Tatiana.Aparicio-Caris@aes0.ca.

Due to space limitations, please limit your attendees to two representatives per company.

Teleconference: Toll-free dial-in number (Canada/US): 1-855-453-6957
Local dial-in number: 403-410-3051
Conference ID: 4366631

A copy of a comparison matrix, containing both the North American Electric Reliability Corporation and Alberta versions of this reliability standard, will be circulated to all registered participants prior to the technical work group session.

Should you have any questions regarding the foregoing, please contact Mia Goloshchapova at 403-539-2848 or Mia.Goloshchapova@aes0.ca.

Yours truly,
