After registering, you will receive a confirmation email containing information about joining the webinar.

### Session purpose:

The AESO will share progress on the Energy Storage Roadmap and DER Roadmap integration activities and provide an update on interrelated initiatives. Additionally, the AESO is looking to explore options to further integrate the participation of energy storage resources (ESR) and distributed energy resources (DER) resources in the Energy and Ancillary Services markets.

Time	Agenda Items	Presenter
8:30 – 8:40	Welcome & Introduction	Miranda Keating Erickson Nicole LeBlanc
8:40 – 9:10	Energy Storage Roadmap Progress Update	Ata Rehman
