The AESO is seeking comments from stakeholders on its approach to reviewing the pricing framework, and content from session 3.

	Questions	Stakeholder Comments
1.	<p>The AESO has presented pricing framework options, and the risks and benefits of each, see below:</p> <ul style="list-style-type: none"> A. Implement improvements to the pricing framework now to incent efficient market response during <u>supply shortage and supply surplus</u> situations B. Implement option A, in future, but <u>delay</u> due to conflicting priorities and external issues that exist today C. <u>Maintain current pricing framework</u>– AESO will continue to monitor the state of the market for signs of loss of system efficiencies <p>Do you believe there other alternatives that should have been considered. If yes, please elaborate.</p>	
2.	<p>The AESO's draft recommended approach is Option C above, maintain the current pricing framework. Do you have comments related to this recommendation?</p>	<p><i>IPPSA supports the AESO's recommendation to retain the current offer cap, price cap and price floor.</i></p> <p><i>IPPSA suggests that the AESO contemplate a review of the offer cap, price cap and price floor on a periodic basis. Companies will provide specific comments on how this periodic review could occur.</i></p>
3.	<p>Do you feel you have been able to adequately participate and provide comments to the AESO through this engagement? If no, please describe your concerns.</p>	
4.	<p>Do you believe the AESO was effective in the preparation and presentation of the material? If no, please provide suggestions for the improvement of future engagements.</p>	
5.	<p>Please provide any other comments you have related to the pricing framework engagement.</p>
