- (collectively, the “Wind, Solar, AGF and DER Rule Amendments”)**

On May 18, 2017, the Alberta Electric System Operator (“AESO”) received late written comments on the proposed Wind, Solar, AGF and DER Rule Amendments from Turning Point Generation. The April 7, 2017 [Letter of Notice](#) specified a deadline of May 5, 2017, for receipt of market participant comments.

The following grid is hyperlinked to provide assistance in directing market participants to these written comments.

Amended Section 202.5
Turning Point Generation

Amended Section 202.6
Turning Point Generation

Amended Section 304.3
Turning Point Generation

The AESO is of the view that adherence to deadlines is an integral part of a fair and efficient ISO rules comment process. Market participant comments received after a specified deadline are considered at the discretion of the AESO.
