Re: **Letter of Notice for Additional Feedback from Stakeholder Consultation Session on the Development of the Proposed Amended Section 306.7 of the ISO Rules, *Mothball Outage Reporting***

The AESO would like to thank all participants for attending the first stakeholder consultation session on the development of the proposed amended Section 306.7 of the ISO rules, *Mothball Outage Reporting* held on December 1, 2020 (the "December 2020 Stakeholder Session").

The AESO appreciates the feedback received at the December 2020 Stakeholder Session. If you were unable to attend the December 2020 Stakeholder Session or you have additional comments that were not discussed at the session, the AESO would like to invite you to provide those comments at this time. As a reminder, the AESO will be posting the meeting minutes from the December 2020 Stakeholder Session once they have been drafted and reviewed by the attendees.

Please use the attached Stakeholder Comment Matrix when submitting comments to the AESO. Stakeholders should ensure that comments provided represent all interests within their organization.

The deadline for Stakeholders to provide comments is January 15, 2021, to [rules\\_comments@aeso.ca](mailto:rules_comments@aeso.ca). Adherence to deadlines is essential to the integrity of the comment process, and as such, the AESO may choose not to consider any Stakeholder comments received after the deadline.

The AESO will publish all Stakeholder comments received, on the AESO website.
